From a Newly Organized Sub Alliance.

Editor of The Progressive Farmer:

I would like to say a few words in behalf of Newport Sub Alliance, which has been reorganized and is working successfully. The most modern and up-to-date farmers of the community are now members. Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

young men have joined, and are helping in the good work with much enthusiasm and energy.

We would be glad to have another speech from Brother Barker or Cates. All intelligent farmers can now plainly see the necessity of organization among themselves. Come along, young folks, and join the Alliance and learn to love it while you are young. There is no society that would be more helpful to you, socially, morally or financially. I am one of the young members myself.
